Radio Control Systems

Alpha 600X Series

Alpha 612XS

Alpha 608XS

Alpha 604XS

Alpha 6000 Series

Alpha 6000

Alpha 4000 Series

Alpha 4012

Alpha 4008

EZB Series

EZB612

EZB68

EZB64

SEY MAX Series

SEY 1202 MAX

SEY 1002 MAX

SEY 602 MAX

SEY 402 MAX

SEY 202 MAX

Pendant Control

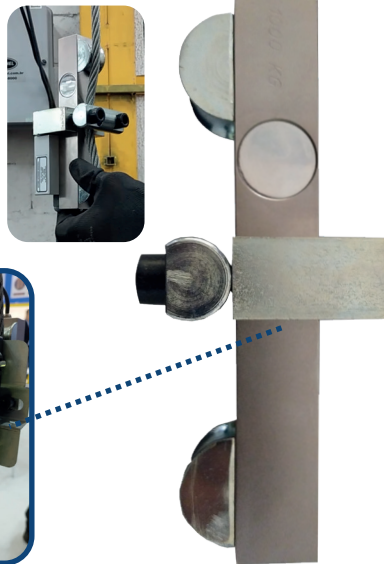

Load Cells, Devices and Weighing Systems

Inclinometer

Load Cell

Crane Scale

VKL-3R Load Limiter

SEY-SCC01 Load Limiter

LIM-G Load Limiter

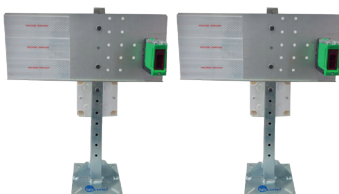

SEY-DL6 Controller Display

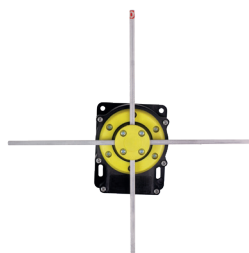

DG-40 Controller Display

Anti-Collision

Cross-type Limit Switch

Rotary Limit Switch

Safety Systems

Signalers

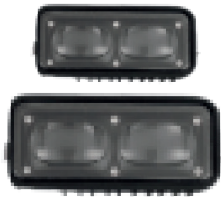

Safety Light Projector

Safety Line Projector

Visual Hazard Management

Safety Light for Overhead Cranes

SEY-PLGE Line Projector for Forklift Fork

Siren MA100 - up to 120dB

Siren SSR500 - up to 105dB

Anemometer

Straps

Eye & Eye Flat Sling
NBR 15637-1/2

Endless Flat Sling
NBR 15637-1/2

Endless Tubular Sling
NBR 15637-1/2

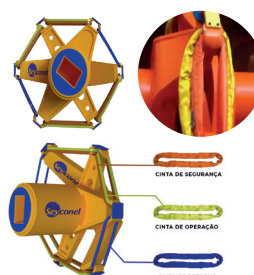

Lashing Straps

Cloverleaf Sling -
NBR 15.459-2007

Endless Tubular for
Mill Coupling

Tubular Towing Strap

Slings

Chain Slings - Grade 8 and Grade 10

Polyester Slings

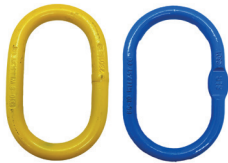

Accessories

Grade 8 Grade 10

Swivel Self Locking Hook

Master Link

Clevis Hook With Latch

Bolt Type Bow Shackle

Screw Pin Bow Shackle

Clevis Self Locking Hook

Hook Eye Latch

Self Locking Eye Hook

Bolt Type Dee Shackle

Screw Pin Dee Shackle

Lifting Points

Swivel Suspension Eye

Side Swivel Eye

Weld on Lifting Eye

Weld on Hook

Screw on Eye Bolt

Screw on Suspension Eye

Padlocks

Omega Link

Chain Sling Connecting Link

Web Sling Connecting Link

Lifting Clamps

Universal Lifting Clamp

Vertical Lifting Clamp

Drum Lifter

Horizontal Lifting Clamp

Beam Clamp

TSMF / TSEMF / STSMF Lifting Clamp

Hoist and Trolley

STC 1-3 Electric Chain Hoist

STC 4-5 Electric Chain Hoist

Manual Trolley | Electric Trolley

Magnetic Lifting System

Magnetic Lifter

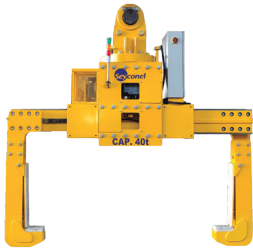

SEY4 and SEY6 Electropermanent Lifting Magnets

Metallurgy Clamps

With Certification of Professional Responsibility

Electromechanical Tongs

Electromechanical C-Type hook

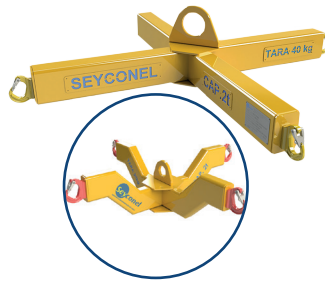

Wire Coil Lifter

External Wire Coil Lifter

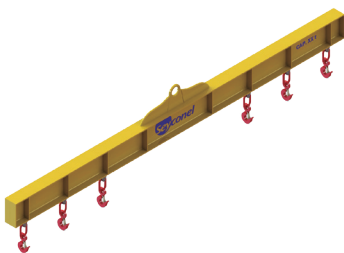

Spreading Beam

Drum Lifter

Lifting Beam

Forklift Hook

Double Forklift Hook

Inspection

The inspection aims to identify wear and deformations that compromise safety and operational availability.

Our products comply with key manufacturing, usage, and maintenance standards, including regulatory standards (NRs), national technical standards (NBRs), North American and European norms, and other international standards. After the inspection, a Technical Report and a Certification of Professional Responsibility are issued.

Technical Assistance

We assist all over Brazil through the sending of our products to our headquarter (Colombo -PR)

Our After-Sales service is specifically designed to meet all customers' needs and carry out maintenance, repairs and revisions on all our products. We have a large stock, and our analyses are without obligation.

Avoid accidents and schedule preventive maintenance!
